

Thank You

Dear. CMS Teacher

My experience with CMS has been positive since day 1. Ms. Lois Sung Kim is also very kind and professional with parents and the kids love her as well. We visited the school before deciding to enroll our daughter and she was so welcoming and helpful.

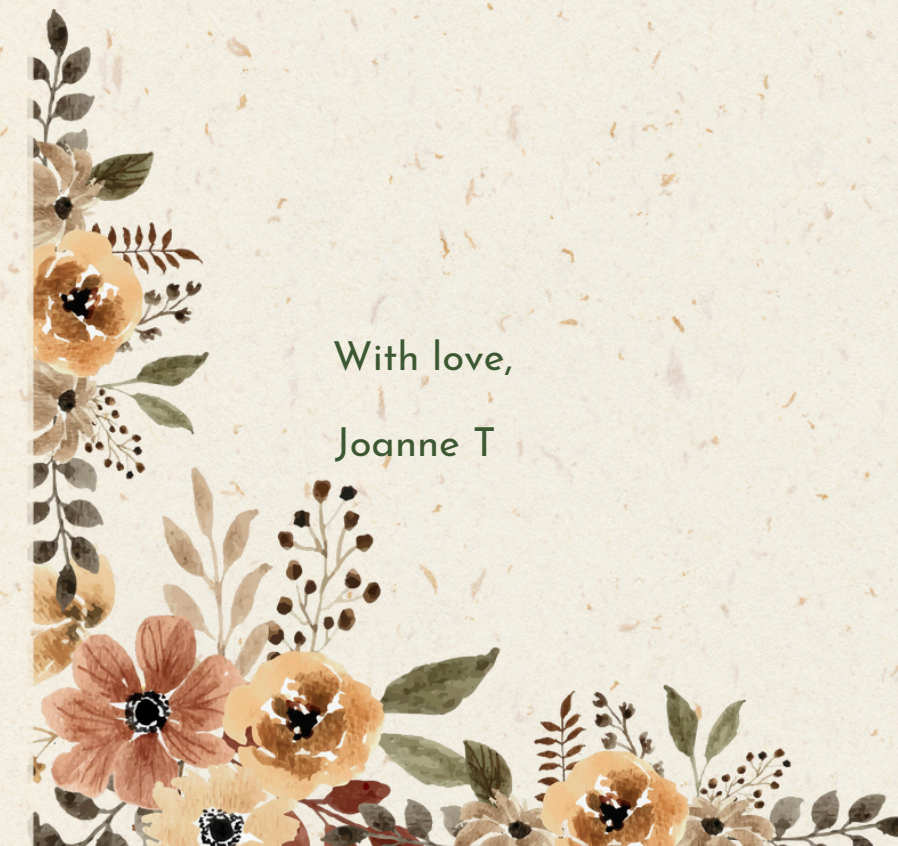

She also allowed us to tour the school and showed us each classroom that they have at the school. One of the main reasons we decided to enroll our daughter was the strict COVID guidelines. It was also very impressive to see that the majority of the children kept their masks on - even the young ones under 2. Ms. Kim was also very accommodating and allowed us to start our daughter with 3 days of classes instead of 5. When our daughter was sick, Ms. Kim and Ms. Yi were also very kind and sent prayers home to us. We can tell that our daughter loves attending school and we can see such a huge difference in how much she has grown in just the last few months.

Thank You

She loves both her teachers Mrs. Yi and Ms. Kang. She is always very happy coming home and showing us her hairstyles from Ms. Kang. We are really happy we found CMS and plan to continue our daughter's education here until she graduates to Kindergarten.
